The result showed that: (1) Moral Values in Zootopia movie divided into several parts, is there respect, responsibility, fairness, tolerance, wisdom, help each other, altruism, cooperation, courage, confidence (2) Movie can contributing in teaching drama, especially a good moral value can implication for drama teaching and daily activities. In the end of the study, the researchers expected to be reference in teaching drama.

Keywords: moral values, zootopia movie, teaching drama

Introduction

Watching the movie has become part of everyday life for some people. The people have different purposes in watching a movie such as for refreshing, spending their time, getting information and perspective, learning a foreign language, and trying to understand other cultures.

According to Yousuf and Dadabhoy (2013) cans were able to show the audience an image, therefore, could present themselves to the viewers lucidly.

A movie is a work of art or literature, in the form of live images that are rotated to produce an illusion of moving images that are presented as a form of entertainment. The movie is one of the literary genres that are preferred to be watched by people of various ages. In the movie, it is easier to tell and explain what will be served to entertain the audience.

In general, if people watching a movie they will take along with the story in the movie that they watch. If they are watching a movie that will also have a good attitude in daily life. Usually a story that has a lof of good moral value is in an animated film that educates children.

Zootopia is one of movies that has a lot of moral values for the audience. Zootopia produced by Walt Disney Pictures. Zootopia is a movie about comedy adventures movie featuring the action by Nick Wilde (Jason Bateman)

This study focuses on analysis of moral values in the “Zootopia” movie to contribute teaching drama. The writers hope this study would be able to emphasize the important of moral values to the reader. Therefore, based on explanations above, the writers are going to conduct a research.

Literature Review

Definition of Moral values

Moral values are thought to be imbibed by members of the society to enhance character development and promote good moral upbringing and moral health in individuals (George and Uyanga, 2014). According to Amingo (2003) argues moral health is manifested in individuals when a person becomes capable of understanding the principles of moral conduct and is committed to behaving morally in his dealings with others.

Types of Moral values

The difference standards of morals and ethics in on the basic of determining or standards measure right and wrong that used. be based on customs or agreement that dealing with society (Kusmiyati, 2014) investigate the moral values in the “Zootopia” movie.

The conclusion about moral values was that the standards of good and evil, which controlled individual behavior and choices, individual moral may come from society and government, religion or self.

1) Respect

Respect is an attitude of mutual respect of each other, that is young respectful to the elder, the elder loves the young. Respect for self and others as valuable (Yosephus, 2010).

2) Responsibility

This is a behavior which reflected through how to do his work and obligation to himself, society, environment (nature, social, and culture) country, and God.

3) Fairness

Fairness is the willingness to give what should be given to everyone (Yosephus, 2010). Fairness is defined as the quality of treating people equally or in a way that is right or reasonable.

4) Help each other

Help each other is a form of social human. We cannot live without other people. Help each other makes life more than meaningful.

5) Tolerance

Tolerance is willingness to accept behavior and beliefs which are different from one and other, although you might not agree with or approve of them.

6) Wisdom

Moral wisdom is this an ability to understand the nature of the self and the responsibilities to others.

7) Courage

The 2nd Undergraduate Conference on Applied Linguistics, Linguistics, and Literature

Vol. 2(1), August, 2022

Online ISSN: 2807-8926

Courage is being brave means to have a steady heart and sense of confidence in dealing the danger and trouble.

8) Altruism

Altruism is the attitude of caring about others and doing acts that help them, although you do not get anything by doing those acts. And this is a person who helps selflessly.

9) Cooperation

Cooperation is to achieve a common goal necessary for all people to work together. If this is not done, a few people may profit, but the end result for everyone will be a failure.

10) Confidence

A major component of confidence is the value you place on yourself. Confidence is about the faith you have in your abilities, and how your most important relationship, confidence is feeling or belief that one can have faith in or rely on someone or something as a belief in one's ability to succeed.

Movie

According to (Thompson&Smith, 2017:2), films communicate information and ideas, and they showed us places and ways of life we might not otherwise know

From the movie, the audience can enjoy in theaters, home, offices, cars, buses, and airplanes. In other hand, movie also helped students in mastering the skills of film appreciation by teaching them to analyze and appreciate classical and contemporary films.

Zootopia movie

The movie is based in the animal city of Zootopia, where optimistic new police officer Judy Hopps discovers that being the first rabbit on a force of big, though animals isn't so easy. The genre of this movie is comedy adventure is directed by Byron Howard (Tangled, Bolt) and Rich Moore (Wreck-It Ralph, The Simpsons) and co-directed by Jared Bush (Rosser, 2015).

Drama

Drama is a composition in verse or prose intended to portray life or character or tell a story usually involving conflicts and emotions through action and dialogue and typically designed for theatrical performance according to Webster's English Dictionary, According to Iwuchukwu (2008), drama as a literary genre is realized in performance

Contribution to teaching drama

According to Aygen (2008:14), drama activities provide lots of opportunities for revealing, supporting and developing creativity. It means the study of the effect of drama on moral values is analyzed, it may be realized that a focus on research on the moral values that students have in them is important.

Drama also provides active participation of teachers and students. The teacher teaches drama through movies. Thus, students can choose and apply good moral values. The writers present education moral values movie such as ZOOTOPIA movie to implicate while the study. In this "ZOOTOPIA" movie contains a lot of moral values and good character building for students.

In this drama learning contribution, what can be imitated from the moral values of the "zootopia" movie the lecturers give a learning with google meeting to give some assignment or to media learning.

Method

This part explained about research design used in this study. Methodology of the research usually divided into two parts that were qualitative and descriptive method. In this study, the researchers chose qualitative methods. Descriptive method is a method of research which tried to picture out and interpret the object as in the fact, (Sukardi, 2003:11). Thus, in this study the researchers analyzed the moral value in “Zootopia” movie to give the contribution of teaching drama.

According to Kothari (2004:31), research is the arrangement of conditions for collection and analysis of data in a right manner. In this analysis the writers collected data to be analyzed carefully. This analysis used data collection method in the message of the movie. So, the writers knew this movie contains a good story. The purpose of the research was to explain the messages of the main character find in “zootopia” movie as the object of this study.

Finding and Discussion

Finding moral values in Zootopia movie

This chapter is the discussion of the findings is explored. The researchers try to give short cuplicant performed from Zootopia movie to make this final project easy to understand this case, the researchers analysed the moral values. The moral values can be seen below:

a) Respect

(performed 00:32:09-00:32:33)

I will find him

b) Responsibility

(performed 00:28:26-00:28:35)

Oh, yes! Yes! Don't worry sir! I've got this.

c) Fairness

(performed 01:32:00 – 01:32:15)

All right, you know, you're milking it. Besides i think we got it. I think we got it. We got it up there, thank you, Yakety-yak! You lid it all out beautifully.

d) Tolerance

(performed 00:13:47-00:14:10)

You probably didn't know, but a bunny can call another bunny “cute”.

e) Wisdom

(performed 01:15:59-01:16:23)

Don't give your self so much credit, Hopps. The world has always been broken. That's ehy we need a good cops. Like you

f) Help each other

(performed 00:05:28-00:05:47)

oh! You got our tickets!

g) Altruism

(performed 00:32:53-00:33:15)

You're fired!

h) Cooperation

(performed 00:46:10-00:46:33)

Vol. 2(1), August, 2022

Online ISSN: 2807-8926

Well, now, wait a minute. Polar bear fur, Rat Pack Music, funny cup? I know whose car this is. We got to go

i) Courage

(performed 00:47:17-00:04:47)

Hey! You heard her. Cut it out.

j) Confidence

(performed 00:02:15-00:02:37)

And I can make the world a better place. I'm going to be a police officer.

The Contribution of Analyzing Moral Value in Zootopia Movie to Teaching Drama

Drama performances at the University of PGRI Semarang are things that are always shown every year. Mainly the faculty of Language and Arts Education in English Department and Indonesia Languages Major. Teaching drama has an important role to play in developing literature that contains exciting moral values.

The contribution of the moral values of the main characters in the teaching drama is to make teachers and students have a relatively deep view of nature and life based on research, researchers found several moral values in the main characters in this zootopia movie, this movie tells the fictional story of the wild adventures of the bunny Jody Hoops to realize his dream to be a the police in the zootopia, but the journey is not easy, there meet several different characters.

As an example of active properties that exist on the scene in the movie zootopia to teach students that we must actively in drama teaching. For other examples, such as the good character possessed by jody hoops, teaches students that the students should has imitate the good qualities in the film. And through this zootopia movie in teaching drama can also be discussed by teachers and students to better understand the contents of the learning teaching drama.

In this drama learning contribution, what can be imitated from the moral values of the “zootopia” movie the lecturers give a learning with google meeting to give a assignment or to media learning.

Zootopia movie is an animated comedy drama adventure film produced by Pixar Animation Studios and distributed by Walt Disney Pictures. This movie released on march 4, 2016 in the united states and Canada, and February 14, 2016 in Belgium. The writers analyzed of “Zootopia” movie because it has a lot of moral values in this movie. In this study the researchers found several many moral values. From this movie it should be careful to imitate a good character to contribution in teaching drama and also daily activities. The researchers found many several values that is an confidence person to become a dream police in Zootopia. Jody Hoops is a animals predator who’s ambitious person is to has a dream be a police on his wild adventure in zootopia. In this case, jody Hoops a predator animals has characters confidence to realizing his dream to be a police in Zootopia.

The contribution “zootopia” movie in teaching drama is as a reference for students to learn about drama. They can study and analyze the parts contained in the film, especially about the moral values and characters that is in movie. Based on the above analysis, the researchers concluded that each person has various characteristics. Some have good qualities, and some are bad. From the above analysis of learning that can be applied to the students there are:

The 2nd Undergraduate Conference on Applied Linguistics, Linguistics, and Literature

Vol. 2(1), August, 2022

Online ISSN: 2807-8926

1. Students find it easier and understand how to analyze other movies well;
2. Students get to know and understand more about characters or points of view of others through “zootopia” movies or other movies;
3. Students find it easier to get a lot of vocabulary and imitate expressions or movements in deepening the drama that will be played through the movie.
4. Students can learn teaching drama from google meet to know how learning drama by moral values, do with the google meet the students can learning remotely

From this discussion, the researchers summarize from the analysis of “zootopia” movie. From the analysis and contribution of learning drama above, the researchers conclude the importance of moral education in drama learning. In other hand teaching moral values not only through “zootopia” movie, the researchers conclude that learning is easier to use movie media because it can memorization of new vocabulary, communication skills and also cultural understanding that can be emulated.

Moral values that can be drawn from the above movie , we can follow the example of some of the positions taken. Which give a good message to audience or reader. One of the messages that can be received in the community is that the reader or audience better understand and know about the life and good works in the community. Other moral values which can also be seen from the ambitious person Joddy hoops. In this movie the audience and reading can see and imitate good moral values that can be applied in daily life. There are several good moral values, namely to provide a good example for the community to respect each other more, to provide help to those who help. And also have a tolerance to others.

The message that can be taken from this film is that the audience is able to show a caring attitude towards each other, understand each other and also use a sense of empathy for others, that life must respect each other and understand differences.

Conclusion

After analyzing and discussing “zootopia” movie, this chapter discusses conclusions as follows respect, respobility, fairness, tolerance, wisdom, help each others, altruism, cooperation, courage, confidence.

Various moral values found in this study can be a means of learning about good and bad personalities. In this movie there are some good moral values that can be imitated for teachingdrama or for daily activities.

The contribution of Zootopia movie to teaching drama the lecture gives drama teaching by using google meeting or give assignment to the students related to movie found in Zootopia movie.
